

THE-SPHERE.COM and Eva Longoria : luxury, soul and generosity...

It is possible to be at the same time both the most exclusive social network on the web and also be open to the needs of others. This is the philosophy of **The-Sphere.com** and **David Manoukian**, its founder. *"Luxury also means having the opportunity to contribute to helping those in need, as has **Eva Longoria** for many years. We totally share her values and we do everything in our power to support her."* This is why the most private of online networks has teamed up, once again, with **Eva Longoria's** charities, one of its most philanthropic members.

Highly committed and the origin of numerous charity galas, on this occasion the actress has chosen the Cannes International Film Festival to organise the most generous event of the fortnight. The soiree will be held aboard the yacht **Lady Joy**, and will showcase the **Eva Longoria Foundation** for the future of women and children in difficulty and **Denise Rich's Gabrielle's Angel Foundation** for cancer research.

Also touched by these causes and the ideal partner in the context of the exclusive, fashionable and arty Cannes Film Festival, it was only natural that **The-Sphere.com**, the most exclusive of social networks should provide its support and that of its members to this charity event. Aboard the **Lady Joy**, many Hollywood Stars will rub shoulders with donor members of **The-Sphere.com** for an event which is devoted to generosity.

Welcome aboard...

*"The Cannes Film Festival Charity Cocktail Event",
held by **Eva Longoria** and **Denise Rich**,
aboard the **Lady Joy**, Cannes, May 18th, 2012*
